When you just give love

And never get love

You better let love be part

I know that it's so

And yeah I know

I can't get you out of my heart

You, you, you, you, you, you

You make me leave my happy home

You took my love and now you're gone, gone, gone,
gone, gone

Since I fell for you

Oh yeah

Oh love

Brings such misery and pain

I guess I'll never

Oh I guess I'll never be the same

Since I fell for you

(I gotta say this right here)

Well, well it's too bad

Oh it's too bad

Oh and It's too sad

Oh It's too sad

But I'm in love, I'm in love with you

Oh oh, you love me

Oh you loved me

And then you snubbed me

You bad boy

Oh but what can I do
I'm still in love with you

I, I guess I'll never see the light

Never gonna see the light

I get the blues I get the blues most every night
Since I fell for you

Oh come on come on come on tell them about it

Oh it's too bad

It's too bad

And it's too sad

Oh it's much too sad

Cause I'm still in love with you

You loved me

Oh you love me

Then you snubbed me

Oh then you snubbed me baby

Oh what can I do
I'm still in love with you

I, I guess I'll never see the light

Never, never, never, never
I get the blues most every single night
Since I, since I fell, since I fell for you

Since I fell for you
