once upon a fairy time  
in a far away far away land  
there was a girl named Caroline  
waitin' for her own dream man  
now prince charming wasn't on time  
he stood up poor caroline  
so you must realize  
the tears in carolines eyes

my story about the world  
my story about a girl  
who's gonna save poor caroline  
cuz prince charming wasn't on time

so far in this fairy tale  
guess I should call it fairy hell  
we have our poor caroline  
and prince charming out of time  
she's balled up on the floor  
can't keep her eyes from the door  
all she hears is the clock telling time  
any knock will do just fine

my story about the world  
my story about a girl  
who's gonna save poor caroline  
she's running out of time

no more hope Â'n' no more prayer  
open the door, but noones there  
why do I life in a fairy hell  
first she whispers now she yells  
someone walks up one step at a time  
not prince charming but prince fine  
she dries her eyes and takes his hand  
they stroll to fairy land

my story about the world  
my story about a girl  
someone saved poor caroline  
she almost ran out of time

my story about the world  
my story about a girl  
someone saved poor caroline  
cuz prince charming wasn't on time
