tripping falling  
laughing uncontrollably,  
good times been had  
even though some were quite sad  
for one who could not count  
2 seconds was so standard  
for one who could not stand  
tripping was understood  
walking stalling  
looking for that something calling  
sure you've taken a look  
in every cranny and nook  
to find to find  
what you are looking for  
tell me be kind  
what are you looking for?

superhero number 12  
dont worry its on the shelf  
team durjay pride forever  
no no shampoo is better

look back chillax  
your friends have got your heiney  
true to the max  
this is a space filling liney  
be good so good  
in every single way  
repeat this phrase  
to self 31 times daily  
hang out stay out  
with the people who care  
it should be better then  
looking at the wall blank stare  
insane concoction  
this friendships not up for auction  
the world won't show  
that failures not an option

superhero number 12  
dont worry its on the shelf  
team durjay pride forever

no no conditioner is better
