Strong on the outside
But coming apart at the seams
That's me

Tragically always together
But bruised underneath
Well, that's me

I stand just to stumble
Tripping on my pride
Why do I always try to hide?

Meanwhile, back at my heart
I'm desperate for all that You are
Undo me, take me apart

Meanwhile, back at my soul
Oh, mend me, Lord
Please make me whole

You know just where to start
Back at my heart
Back at my heart

Patiently waiting
To pick up the pieces of me
That's You

Healer of hearts when
The world leaves it broken in two
That's You

Maker of Heaven, sky and the sea
When You stretched Your arms
You reached for me, You reached for me

Meanwhile, back at my heart
I'm desperate for all that You are
Undo me and take me apart

Meanwhile back at my soul
Mend me, Lord

Please make me whole

You know just where to start
Back at my heart, back at my fear
Back at my brokenness, Lord, meet me here
Though I'm exposed, I'm not afraid anymore

I'm desperate for all that You are
Undo me and take me apart

And meanwhile, back at my soul
Mend me, Lord
Please make me whole

You know just where to start
Back at my heart, back at my heart
Back at my heart, back at my heart

Healer of hearts
When the world leaves it broken in two
Well, that's You
