"Crown You With Praise"

Visit "[Crown You With Praise](#)" on MotoLyrics.com

We crown You with glory, we crown You with honor
Jesus we crown You with praise
We crown You with song and dance, we crown You with
lifted hands
Jesus, we crown You with praise

Sing allelujah to the Lamb
Sing allelujah to the Lamb
Sing allelujah to the Lamb of God

Jesus we crown You with singing, the instruments lift up
Your name
with all of our hearts
Jesus You are victorious, righteous, Redeemer
We crown You with praise

Canta aleluya, Canta aleluya, Canta aleluya al Senor

Worthy, Worthy, Worthy
Worthy, Worthy, Worthy
Jesus we crown You with praise

Allelujah, Allelujah, Allelujah
