One heart, one voice
Living out love in this world of noise
My dream and my joy
Giving You all I have made a choice
Desperately I'm wanting
To answer to Your calling

I will be a candle in the darkness
I will be the hand of heaven above (heaven above)
I will be a mirror that reflects Your endless love
(endless love)
I will be the hope among the hopeless,
Where there is conflict, I will be peace (I will be peace)
Only by the power of Your spirit living in me (living in
me)
I will be, yeah, I will be

Your heart, Your plan
Give me Your eyes help me understand
My feet and my hands
Holding out living hope to every man
Knowing what Youve made me
With every single heartbeat

I will be a candle in the darkness
I will be the hand of heaven above (heaven above)
I will be a mirror that reflects your endless love
(endless love)
I will be the hope among the hopeless
Where there is conflict, I will be peace (I will be peace)
Only by the power of Your spirit that's living in me
(living in me)
I will be

Gracious, gentle and kind (I will be)
Knowing that Your love will shine through me
Yeah, yeah

I will be a candle in the darkness
I will be the hand of heaven above (heaven above)
I will be a mirror that reflects Your endless love
(endless love)

I will be the hope among the hopeless
Where there is conflict, I will be peace, (I will be peace)
Only by the power of Your spirit that's living in me
(living in me)
I will be

This little light of mine, I'm gonna let it shine
This little light of mine, yeah (repeat)
