In Better Hands

It's hard to stand on shifting sand
It's hard to shine in the shadows of the night
You can't be free if you don't reach for help
You can't love if you don't love yourself

There is hope when my faith runs out
Cause I'm in better hands now

It's like the sun is shining when the rain is pouring down
It's like my soul is flying though my feet are on the ground
So take this heart of mine there's no doubt
I'm in better hands now

I am strong all because of you
I stand in awe of every mountain that you move
Oh I am changed, yesterday is gone
I am safe from this moment on

There's no fear when the night comes 'round
I'm in better hands now

It's like the sun is shining when the rain is pouring down
It's like my soul is flying though my feet are on the ground
So take this heart of mine there's no doubt
I'm in better hands now

It's like the sun is shining when the rain is pouring down
It's like my soul is flying though my feet are on the ground
Its like the world is silent though I know it isn't true
Its like the breath of Jesus is right here in this room

So take this heart of mine there's no doubt
I'm in better hands now
I'm in better hands now
