The morning paper is reading like a scroll  
Like the headlines from 2000 years ago  
Everywhere i look i see the signs  
My hearts telling me its almost time

Â•ChorusÂ•

Dont it make you want to go home  
Run through those gates and fall in Jesus' arms  
and all the cares of this world will be gone  
Dont it make ya...Dont it make you wanna go home

I cant wait to sit at Jesus feet  
To hear him say welcome home to me  
I can almost feel his warm embrace  
And His nail scarred hands as they wipe my tears  
away!

Â•ChorusÂ•

Dont it make you want to go home  
Run through those gates and fall in Jesus' arms  
and all the cares of this world will be gone  
Dont it make ya...Dont it make you wanna go home

Far away from this world of pain  
God's prepared a perfect place  
And i cant stop thinking about it  
Im so homesick for it  
Dont it make you want...dont it make you wanna go  
home

Â•ChorusÂ•

Dont it make you want to go home  
Run through those gates and fall in Jesus' arms  
and all the cares of this world will be gone  
Dont it make ya...Dont it make you wanna go home

Dont it make you want to go home  
Run through those gates and straight to heavens  
throne  
and fall in Jesus' arms  
Dont it make ya...Dont it make you wanna go home

yea, yes i wanna go home  
yea, yes i wanna go home  
yea, yes i wanna go home
