You would think only  
So much can go wrong  
Calamity only strikes once  
And you assume that this  
One has suffered her share  
Life will be kinder from here

[Chorus:]

Sometimes the sun  
Stays hidden for years  
Sometimes the sky  
Rains night after night  
When will it clear  
But our hope endures  
The worst of conditions  
It's more than our optimism  
Let the Earth quake  
Our hope is unchanged

How do we comprehend  
Peace within pain  
Or joy at a good man's wake?  
Walk a mile with a woman  
Whose body is torn  
With illness  
But she marches - on  
Oh

[Chorus]

[3x]:

Emanuel, God is with us  
El Shaddai, all sufficient

We never walk alone  
This is our hope  
Our hope endures  
The worst of conditions  
It's more than our optimism  
Let the Earth quake  
Let the Earth quake  
Let the Earth quake

Our hope is unchanged
