Never let him see you when your breaking
Never let him see you when you fall
Thats How We Live
And Thats How We Try

Tell The world you've got it all together
You never let him see whats underneath
We cover it up
With the crooked smile
But it only lasts for a little while

Theres no such thing as perfect people
There no such thing as a perfect life
So come as you are, broken and scarred
Lift up your heart and be amazed, and be changed
By a perfect god
Yeaaa

Suddenly its like a weight is lifted
When you hear the words that you are loved
He knows where you are
And were you've been
And you never have to go there again

There's no such thing as perfect people
There's no such thing as a perfect life
So come as you are, broken and scarred
Lift up your heart and be amazed and be changed
By a perfect god

Who lived, and died, to give you life
To heal our imperfections
So look up, and see love, and let grace be enough

There no such thing as perfect people
YEAAA
Tehren's no such thing as a perfect life
So come as you are, broken and scarred
Lift up your heart and be amazed and be changed
By a perfect god
By a perfect god
By a perfect god

Yyeaaa
By a perfect god
Be changed by a perfect god
Be changed
