How did you know  
That I'm all alone today  
Oh I feel so scared  
And I want to go away  
I bleed so deep underneath  
My soul is screaming

I'm not gonna hide  
I'm not gonna run away  
I'll uncover the scars  
And show you every mistake  
Your love is mending my blisters  
And the bruising shame  
Here with you  
I am safe

Drowning the tears  
Won't make it go away  
It's robbing my soul  
So I've taken this mask off my face, Yea  
To discover love  
And uncover all  
It means to live and breathe

I'm not gonna hide  
I'm not gonna run away

I'll uncover the scars  
And show you every mistake  
Your love has mended my blisters  
And the bruising shame  
Here with you  
I am safe  
I am safe  
I am safe  
I am safe

When You uncovered, I discovered  
I am not afraid  
But when we're hiding we end up fighting  
To be sane

Yea, Yea  
I'm not gonna hide  
I'm not gonna run away  
I'll uncover the scars  
And show you every mistake  
Your love is mending my blisters  
And my bruising shame  
Here with you  
I am safe  
I am safe  
I am safe  
I am safe
