Na, na, na, na, na, na, na  
Na, na, na, na, na, na, na  
Na, na, na, na, na, na, na  
Na, na, na, na, na, na, na

Mystified by the struggle  
To survive my own pride  
Haunted by the demons  
Of my past life, yeah

Who am I? And why do I?  
Are questions that keep running  
Through my mind, yeah

But underneath this shallow skin  
A brand new me is comin' out  
Comin' out from within

So long, farewell to my old self  
Goodbye to the lie that I can't be someone else  
'Cause who I was ain't who I am  
I know that I've been born again  
Those stains of my history are gone, gone, gone  
So long

Apathy, hunting me  
Like some contagious disease  
Hypocrisy hiding in the shadows  
Of the former me

Doin' what comes naturally  
I'm not who I want to be  
Ready to, I'm ready to be free, oh yeah

So long, farewell to my old self  
Goodbye to the lie that I can't be someone else  
'Cause who I was ain't who I am  
I know that I've been born again  
Those stains of my history are gone, gone, gone  
So long

Yeah, yeah, yeah, yeah, yeah, so long

Na, na, na, na, na, na, na, so long  
So long, yeah

Na, na, na, na, na, na, na  
Hey, hey, hey, so long  
Na, na, na  
(Na na na na na na)  
Na, na, na, na  
Hey, hey, hey, so long, yeah

So long, farewell to my old self  
Goodbye to the lie that I can't be someone else  
'Cause who I was ain't who I am  
I know that I've been born again  
Those stains of my history are gone, gone, gone  
So long, so long

Na, na, na  
(See you later, so long, yeah)  
Na, na, na  
(Na, na, na, na, na, na, na)
