It's a wonder how the supernatural
Joined Himself to clay
How eternity would choose a cradle
Made of dirt and hay

How the only One who had it all
Gave all there was to give
How the breath of Him whose seen forever
Made the dead to live

It's such a wonder
It's such a crazy mystery
You chose to love someone like me
I will never understand

This endless wonder
The hand that formed the sky and sea
Carries me eternally
And I'm so amazed You're such a wonder

The word that sent the sunbeams shooting
Filled my world with light
The God who lit the stars of Heaven
Gave my eyes new sight

Though my human weaknesses
They always keep me on my knees
The heartbeat of my Father's heart
Still beats strong in me

It's such a wonder
Such a crazy mystery
You chose to love someone like me
I will never understand

This endless wonder
The hand that formed the sky and sea
Carries me eternally
And I'm so amazed You're such a wonder

Such a wonder, such a mystery
Such a wonder

Yeah, oh, You came, You gave Your life for me
So that I could be free, yeah

It's such a wonder
Such a crazy mystery
Chose to love someone like me
I will never understand

This endless wonder
Hand that formed the sky and sea
Carries me eternally, yes You do
I'm so amazed You're such a wonder

It's such a wonder
Such a crazy mystery
Chose to love someone like me
(You love me and You call me Your own, yeah)

This endless wonder
Hand that formed the sky and sea
Carries me eternally
(Such a wonder, such a wonder, oh)

It's such a wonder
Such a crazy mystery
Chose to love someone like me
