(Verse 1)

Its always been a mystery to me
How two hearts can come together
And love can last forever
But now that I have found you, I believe
That a miracle has come
When God sends the perfect one
Now gone are all my questions about why
And Ive never been so sure of anything in my life

(Chorus)

I wonder what God was thinking
When He created you
I wonder if He knew everything I would need
Because He made all my dreams come true
When God made you
He must have been thinking about me

(Verse 2)

I promise that wherever you may go
Wherever life may lead you
With all my heart Ill be there too
From this moment I want you to know
Ill let nothing come between us
And I will love the ones you love
Now gone are all my question about why
And Ive never been so sure of anything in my life

(Repeat Chorus)

(Bridge)

He made the sun He made the moon
To harmonize in perfect tune
One cant move without the other
They just have to be together
And that is why I know its true
Youre for me and Im for you
Cause my world just cant be right
Without you in my life

(Repeat Chorus)

(Tag)

He mustve heard every prayer Ive been praying

Yes He knew everything I would need

When God made you

When dreams come true

When God made you

He mustve been thinking about me
