Saw your light on
From the second story
So I waited
There's was nothing for me
Shouldn't really be hard now
Been a long time
But I had it coming
Hesitatiion is leaving me with nothing
I've been wanting to tell you
For so long
So long

Didn't mean to fall
It's got me up against the wall
I've wanted you all along
But you couldn't hear me call
Got me backed up
In this corner
And now I'm gone
You got me up against the wall

Heard a siren
Screaming out a warning
In the silence of the early morning
And I'm thinking about you
I know now
This is how it should be
All the best things
That ever happened to me
Never happened without you
For so long
So long

Didn't mean to fall
It's got me up against the wall
I've wanted you all along
And you couldn't hear me call
Keep me backed up
In this corner
And now I'm gone
You got me up against the wall

Every time I turn around
I can feel it getting through
It turns me upside down
And all I see is you

Didn't mean to fall
It's got me up against the wall
I've wanted you all along
But you couldn't hear me call
Got me backed up
In this corner
And now I'm gone
You got me up against the wall (x2)
