Here it comes again  
Cannot out run my desire  
Cover my decent  
And throw the beauty on the fire

Drawn towards the edge  
Do I assume I could fly  
Every secret shared  
Why do I drink the feelings dry

Don't go too far  
Limitation scars

Tonight, could I be lost forever  
To drown, my soul in sensory pleasure?

Here it comes again  
You raise the bar even higher  
I cannot catch my breath  
So throw the beauty on the fire

Don't push too hard  
Limitation scars

Tonight, could I be lost forever  
To drown, my soul in sensory pleasure?  
Sensory pleasure  
Sensory pleasure  
Sensory pleasure  
Could I be lost forever?

Do I assume I could fly

Tonight, could I be lost forever  
To drown, my soul in sensory pleasure?  
Sensory pleasure  
Sensory pleasure  
Sensory pleasure  
Could I be lost forever?
