

Natalie Imbruglia "City"

Visit "[City](#)" on MotoLyrics.com

Had a dream, had a drowning dream
I was, in a river of pain
Only difference this time
I wasn't calling out your name, yea
Has it ended before it's begun
You hold on and I try to run but

Anybody heading in my direction
Away from the city
Anybody wanna change the way they feel
Step inside
Doesn't really matter where you wanna take me
Away from the city
I wanna start again
I wanna start again
I wanna take it back
I wanna start again
(Yea yea, yea yea)
I wanna start again
(Yea yea, yea yea)

Funny how those friends forget you
When you tired of their games
You miss a show or a party that blows
And they, they've forgotten your name, yea
And you wonder what you've become
They pull you back when you try to run, well

Anybody heading in my direction
Away from the city
Anybody wanna change the way they feel
Step inside
Doesn't really matter where you wanna take me
Away from the city
I wanna start again
I wanna start again
I wanna take it back
I wanna start again
(Yea yea, yea yea)
I wanna start again
(Yea yea, yea yea)

I left the me I used to be
I wanna see this through
I left the me I used to be
If only you'd see it too
Well I wonder what you've become
You pull me back when I try to run, well

Anybody heading in my direction
Away from the city
Anybody wanna change the way they feel
Step inside
Doesn't really matter where you wanna take me
Away from the city
I wanna start again
I wanna start again
I wanna take it back
I wanna start again
(Yea yea, yea yea)
I wanna start again
(Yea yea, yea yea)
