Fallen three times in a row
Waking up with vertigo
But you were there to break my fall
Before I had to face it all

Don't let me go
Don't let me go
Cause I wouldn't wanna move on
Without you

I won't be lost
Next time you see me
My pain will be gone
Baby believe me I been trying
But my heart keeps on breaking
I won't be lost

Smiling like a billionaire
Hoping you were unaware
The walls inside were caving in
My world had come apart again

Don't let me it show

Don't let them know
That I wouldn't be very strong
Without you

I won't be lost
Next time you see me
My pain will be gone
Baby believe me I been trying
But my heart keeps on breaking
I won't be lost

Don't you give up on me
Cause I wouldn't be very strong
And I wouldn't wanna move on
Without you

I won't be lost
Next time you see me

My pain will be gone

Baby believe me

I been trying but my heart keeps on breaking

I won't be lost

I won't be lost
