Brings a rose  
Slaps your face  
Says your pain  
Is a state of grace  
Mirror cracks  
Image bleeds  
He'll touch your desires  
But not your needs  
I stand at an open window  
I see everything there is to see  
I-I-I I been watchin' you  
Isn't it true the fool keeps takin' you down, down  
Takin' you  
I-I-I I been watchin' you  
Isn't it true the world keeps takin' you down, down  
Takin' you  
Party ends  
On the floor  
Hear a voice  
Behind the door  
In the dark  
You play his game  
Forget yourself  
Forget your name  
I stand at an open window  
I see everything there is to see  
I-I-I I been watchin' you  
Isn't it true the fool keeps takin' you down, down  
  
Takin' you  
I-I-I I been watchin' you  
Isn't it true the world keeps takin' you down, down  
Takin' you  
So there you are  
All dressed in black  
Walk away  
And don't look back  
And if you must then  
Cast a stone  
The light is on  
but again you know that no one's home, 'cause  
I been watchin' you

Isn't it true the fool keeps takin' you down, down  
Takin' you  
I-I-I I been watchin' you  
Isn't it true the world keeps takin' you down, down  
Takin' you  
I said I (I-I-I) I been watchin' you  
Isn't it true the fool keeps takin' you down, down  
Takin' you  
I-I-I I been watchin' you  
Isn't it true the world keeps takin' you down, down  
Takin' you down
