I'm Feelin' kind of strange
I'm feelin' kind of jammed up and out of the way
I know it's all deranged
And now that's gonna give 'til I'm out of this place
Look at the horizon
Want it to be the one where is flawless
I'm gonna take your time
I wanna wonder if you float while the sea is rising

I don't know, I don't know, I don't know, I don't know
I don't know the way you make me feel
Here we go, here we go, here we go, here we go
Here we go again

My god
Your face is so beautiful
My god
I see you so clear
If I could stay with you
Oh my god
I'll give my soul
There's nothing else my god
Don't you leave me here

You're looking for a flower
You're looking for a flower but you find a tree
I'm looking for a river
And suddenly an ocean's washing over me

I don't know, I don't know, I don't know, I don't know
I don't know the way you make me feel
Here we go, here we go, here we go, here we go
Here we go again

My god
Your face is so beautiful
My god
I see you so clear
If I could stay with you
Oh my god
I'll give my soul
There's nothing else my god

I wanted to know you
Wanted to see you
Wanted to feel you
Should've believed you
Wanted to hold you
Wanted to show you
Wanted to be you, be you

My god
Face is so beautiful
My god
I see you so clear
If I could stay with you
Oh my god
I'll give my soul
There's nothing else my god
Don't you leave me here
