First the good news
It's gonna' feel very nice
Then the bad news
You gotta' pay a heavy price

Rip tide, we slide, we ride
On a deep forbidden sea
Under we go, so slow
And you're hangin' on to me

And I say oh, oh, one more addiction in my world
Oh, one more connection to let go
Oh, floating down the river
Out of sight forever from my world
It's the only thing I know how to do

I reject you
But I can't follow through
I'd forget you
But you'd end up tappin' on my back door

Somehow I lost myself
In a tunnel long and black
Somewhere at the end I pretend
There's a way of turnin' back

And I say oh, oh, one more addiction in my world
Oh, one more connection to let go
Oh, floating down the river
Out of sight forever from my world
It's the only thing I know how to do

Take a breath, let it out
All the things you frown about
Are meaningless of course, unless
You're doing this for real I guess

I meant to but I don't know what
Is in the way and could I say
It's you I bet, I won't forget
Maybe I'm not ready yet

Oh, oh, one more addiction in my world
Oh, one more connection to let go
Oh, floating down the river
Out of sight forever from my world

Oh, one more addiction in my world
Oh, one more connection to let go
Oh, floating down the river
Out of sight forever from my world

It's the only thing I know how to do
It's the only thing I know how to do
It's the only thing I know how to do
It's the only thing, the only thing that I

It's the only thing, the only thing that I
It's the only thing I know how to do
It's the only thing, the only thing that I, know how to do
'Cause I forget you
