Do you lie awake in the mornin'
Tryin' to find a reason to call me
'Cause honey all that I've been doin'
Is thinkin' about your smile

But none of this is necessary
With me, baby, you see baby
'Cause I like to keep it all simple

'Cause you are my satellite
(Burning up, burning up, satellite)
So I'm tryin' to keep you in sight
(So you might wanna just sit tight)

But with all this space
Can we keep it alive, keep it alive
So I'm askin' you baby
Are you comin' down tonight

There's somethin' in the air tonight
That feels right
But you're keepin' me guessin'
And I'm findin' it hard to catch your eye

So move a little closer, its alright
I know what you're thinkin'
You've been circlin' me for a while

'Cause you are my satellite
(Burning up, burning up, satellite)
So I'm tryin' to keep you in sight
(So you might wanna just sit tight)

But with all this space
Can we keep it alive, keep it alive
So I'm askin' you baby
Are you comin' down tonight

'Cause you are my satellite
(Burning up, burning up, satellite)
So I'm tryin' to keep you in sight
(So you might wanna just sit tight)

But with all this space
Can we keep it alive, keep it alive
So I'm askin' you baby
Are you comin' down tonight
