I walk a mile with a smile
I don't know I don't care where I am
But I know it's all right

Jump the tracks, can't get back
I don't know anyone round here
But I'm safe this time

'Cause when you tell me, tell me, tell me
Stupid things like you do
Yes I have to, have to, have to
Change the rules, I can't lose

'Cause I shiver, I just break up
When I'm near you it all gets out of hand
Yes I shiver, I get bent up
There's no way back, I know you'll understand

We talk and talk, round it all
Who'd have thought we'd end up here?
But I'm feeling fine
In a rush never trust, you'll be there
If I'd only stop and take my time

'Cause when you tell me, tell me, tell me
Stupid things like you do
Yes I have to, have to, have to
Change the rules, I'm with you

What if you get off at the next stop?
Would you just wave as I'm drifting off?
And if I never saw you again
Could I keep all of this inside?
