Starting today

I'm not gonna waste another moment

Even if I had had the chance before

I would have blown it

But you took me by surprise

And you caught me just in time

Everyday

You give me reason not to walk away

I'll stop believing that the world's gone crazy

And if it is you'll save me

Starting Today

I'm not gonna worry about tomorrow

I'll wash away

All this fear that's left me feeling hollow

'Cause you make me wanna try

And you caught me just in time

Everyday

You give me reason not to walk away

I've stopped believing

I should run like crazy

'Cause if I did you'd chase me anyway

I should've told you so many times

But I shied away

Somehow you always seem to

Be there making it easy

And you give me reason to stay everyday

Ooh everyday, everyday

I've stopped believing

I should run like crazy

'Cause if I did you'd chase me anyway

You give me reason not to walk away

I've stopped believing

That the world's gone crazy

And if it is you'll save me

Starting today
I'm not gonna waste another moment
