Like a song, like the new boots that I have on
A blue sky like a stranger that's walking by
Catching your eye

Could you set me free, make a move on me
'Cause someone's getting to you
Is it someone getting to you?

I'm wild about it, ah, ah, ah
I'm wild about it
(She's wild about it)
I'm wild about it, ah, ah, ah
I'm wild about it
(She's wild about it)

Oh, ah, oh, ah, ah
Oh, ah, oh, ah, ah

Like a bomb, like fireworks to carry on
I wanna play, I wanna let the circus take me away
So what do you say

Could you set me free, make a move on me
'Cause someone's getting to you
Is it someone getting to ya

I'm wild about it, ah, ah, ah
I'm wild about it
(She's wild about it)
I'm wild about it, ah, ah, ah
I'm wild about it
(She's wild about it)

Oh, ah, oh, ah, ah
Oh, ah, oh, ah, ah
Ah, ah

Come on and just show me, show me
Take it away, you can take it away
Just show me, slowly
Take it away, take me away

I'm wild about it, ah, ah, ah
I'm wild about it
(She's wild about it)
I'm wild about it, ah, ah, ah
I'm wild about it
(She's wild about it)

I'm wild about it, ah, ah, ah
I'm wild about it
(She's wild about it)
I'm wild about it, ah, ah, ah
I'm wild about it
(She's wild about it)

I'm wild about it, ah, ah, ah
I'm wild about it
(She's wild about it)
I'm wild about it, ah, ah, ah
I'm wild about it
(She's wild about it)

I'm wild about it, ah, ah, ah
I'm wild about it
(She's wild about it)
I'm wild about it, ah, ah, ah
I'm wild about it
(She's wild about it)
