Yeah, yeah, yeah
What if you loved someone so much inside all your
feelings you can't even hide,
What if the that someone you held tight to you had
another he gave his heart too,
Would you stand here with your suitcase packed,
And catch a ferry to the endable side of you,
Or would you find a way to turn it around would you
start to get your feet on the ground

And just breathe,
Just breathe baby,
Breathe

What if we took the time to smell the roses,
And appreciate the wind that blows,
What if we thought of someone else's feelings,
Before we find a one night so appealing,
What if u struggled your whole life appealed,
They say it then you say you never fulfilled you,
Such a heavy load but then you find for sure,
Everything will be alright,

If you just, breathe,
Just breathe,
Just breathe,
Just breathe,
All u got to do is breathe, (breathe)
All u got to do is breathe, (just breathe)
All u got to do is breathe, (just breathe)
All u got to do is breathe, (just breathe)
Ohhhh, (just breathe)
All u got to do is breathe, (just breathe)
All u got to do is breathe, (just breathe)
All u got to do is breathe, (just breathe)
BREATH, just breathe, baby, breathe

Why to rush to hurry up and wait before we even left
the starting gate,
Why do we push to far,
We move to soon,
Another second and we both fall, yeah,

When your feeling low no your not alone,
In this game tonight,
Better take it slow,
You will know it'll be alright

If you just, breathe,
Just breathe,
Just breathe,
Just breathe,
All u got to do is breathe, (breathe)
All u got to do is breathe, (just breathe)
All u got to do is breathe, (just breathe)
All u got to do is breathe, (just breathe)
Ohhhh, (just breathe)
All u got to do is breathe, (just breathe)
All u got to do is breathe, (just breathe)
All u got to do is breathe, (just breathe)
BREATH, just breathe, baby, breathe

Yeah, yeah, yeah
