Marchetti!
It's Natalie, ah!

I'm sick and twisted in this love trip
You don't know 'bout to do ya, yeah
And ain't no turn back,
Do you know what it's like when no one's got nothing to
do, yeah
You know I'm back
I'm happy with these better lies, you really, really got
me
I know is just a matter of time, time

(CHORUS)
Tied me up,
Don't have the key,
You've got me locked down
Love penitentiary
I know I might explode
I can't see
Love penitentiary

Spend every second of that and I'm screaming for you
to listen me,
Ah huh, are you in there?
Your love stucked in me
And I gotta sleep on it

Are you in there?
I'm happy in your better lies, you really, really got me
I know is just a matter of time, time

(CHORUS)
Tied me up,
Don't have the key,
You've got me locked down
Love penitentiary
I know I might explode
I can't see
Love penitentiary

Why am I a heart-string, boy?
Cause I hate that song, hate that song
Yeah you knew it from the start it would never last it
long, last it long,
Baby, I'm sick, that's just it, it's twisted, now love it, it's
blushed, I'm in it on your love, it's gonna get tchiboom-
boom

(CHORUS)

Tied me up,
Don't have the key,
You've got me locked down
Love penitentiary
I know I might explode
I can't see
Love penitentiary
