Suckers wanna roll, trying to get that gold
But they're never gonna get your daughter that way
Brothers like me know to be squeaky clean
Play it cool for the parents

I picked her up in my Trans, and, baby
(Oh yeah)
We hit the night like a slap in the face

Me and your daughter
Never been hotter
Rocking this party

Me and your daughter
Touching my body
She is so lovely

Me and your daughter
Hotter and hotter
Suspended in sweet, sweet summer love

It's the kind of thing you don't want to end
So don't make us go home ever again

I need her love
And then some gin
You must admit
That we just fit

I need her love
And then some gin
You must admit
That we just fit

I need her love
And then some gin
You must admit
That we just fit

I need her love
And then some gin
You must admit

That we just fit

Me and your daughter
Never been hotter
Rocking this party

Me and your daughter
Touching my body
She is so lovely

Me and your daughter
Hotter and hotter
Suspended in sweet, sweet summer love

It's the kind of thing you don't want to end
So don't make us go home ever again
