La la la la ha
La la la la
All I really hear is

If you were a man
You think you'd understand
And know what you do wrong
So wrong
Take responsibility for the way you treated me
So we can go on, baby
So strong

Killing me
Don't you know what you're doing is
Killing me
Can't believe all the things that you've said to me
Playing me, deliver me, some courtesy
Oh, it's killing me
Don't you see all your lies are
Killing me
And I say the same things
Repeatedly
Are you listening, 'cuz I'm listening, and all I hear you
saying is

La la la la ha
La la la la
All I really hear is
La la la la
La oh la la la

If you were genuine
You'd think you'd take the time
And tell me how you feel
Keep it oh so real
Now I can suggest
Some love and tenderness

Killing me
Don't you know what you're doing is
Killing me

Can't believe all the things that you've said to me
Playing me, deliver me, some courtesy
Oh, it's killing me
Don't you see all your lies are
Killing me
And I say the same things
Repeatedly
Are you listening, 'cuz I'm listening, and all I hear you
saying is

La la la la ha
La la la la
All I really hear is
La la la la
La oh la la la

Can't you see you're driving me insane
Insane
Won't these feelings ever go away?
Away

(All I really hear is)

(Killing me x 8)
Can you see
Can you see?
You're killing me

You're killing me
Don't you know what you're doing is
Killing me
Can't believe all the things that you've said to me
Playing me, deliver me, some courtesy
Oh, it's killing me
Don't you see all your lies are
Killing me
And I say the same things
Repeatedly
Are you listening, 'cuz I'm listening, and all I hear you
saying is

La la la la oh
La la la la (all I hear is)
All I really hear is
La la la la (love and tenderness)
La oh la la la (can you see?)

All I really hear is
La la la la
(FADE)
