I see you everyday and it hurts  
To know that you are not mine  
I hope that you will someday learn  
That in me love is what you'll find  
[chorus]  
I'd do most anything  
For you to be here with me, can't you see  
I'd do most anything  
So I could feel you hold me and touch me  
It's hard to show you how I feel  
I'd save all my love for you  
Cause I know we could be for real  
Just tell me what I have to do  
[chorus]  
I'd do most anything  
For you to be here with me, can't you see  
I'd do most anything  
So I could feel you hold me and touch me..
