I've traveled the seven seas to find a glove that fits.
So tired (?) for something real. A man I really can't
Resist. I came up with a masterplan to find the
Perfect(?) To test each man right on the floor to see
If he could rock with me.

Ooh come again now, show me what you can do
Ooh come again now, Baby don't stop continue

Dance for me
Dance for me
Dance for me

So I can see if you are what I need.
Baby take it slow, show me moves I don't know
Just a little fantasy so dance for me, dance for me

Every guy who tries to hard gets voted off the floor
A show off don't impress me much He can walk out the
Door
If I can't see a fire inside, the music in his soul.
I don't want no conversation there's no need to talk at

All.

Ooh come again now, show me what you can do
Ooh come again now, Baby don't stop continue

Dance for me
Dance for me
Dance for me

So I can see if you are what I need.
Baby take it slow, show me moves I don't know
Just a little fantasy so dance for me, dance for me

Deep down I am just a girl who's looking for a man.
It ain't a trial of who you are. I'd happily give
Anyone a chance.
It's gone wrong too many times, so I make sure I'm
Sure.

Dance for me
Dance for me
Dance for me

So I can see if you are what I need.
Baby take it slow, show me moves I don't know
Just a little fantasy so dance for me, dance for me x2
