Have you ever believed
In wishes and in dreams
Ooh, baby
Or in love at first sight
I swear I dreamt of you last night
And today your love was sent to me
You voice is like a symphony
Like music your words mesmerized me so,
Im in love with you can't you see
(chorus)
I wanna hold you tight
Be in your arms at night
In your embrace you are my dream that came to life
Oh baby can't you see
You are my destiny
My wish came true, I know you are the one for me
(repeat)
The other night when I
I met you I just knew
Oh, that it'd be true
Your smile just caught my eye
I knew I'd find love in you
Now you're mine
And that day your love was sent to me
I knew you were my destiny
Like the stars so bright you fill me with your light
Im in love with you can't you see
(chorus)
(bridge)
I want you to know I
Love you so, always will
I believe in our love
And our life has begun
Cuz you're always what I wanted in my heart
I want you to know I
Love you so, always will
I believe in our love
And our life has begun
And well never be apart
(chorus)
