And on and on and on and on  
And on and on and on and on  
And love goes on and on and on  
And life goes on and on and on

When I was with you I was  
Always happy and I  
Drempt of promises you made to me  
Now I see you holding hands  
With another girl and I  
I cannot understand why you  
Would ever leave our love behind

Love can set you free, sometimes it's meant to be  
And love goes on and on and on and on and on and on  
and on  
Love can make you mine, sometimes it's so unkind  
But life goes on and on and on and on and on and on  
and on

And on and on and on and on  
And on and on and on and on  
And love goes on and on and on  
And life goes on and on and on

Maybe we're not meant to be  
Together now I see  
Never be the one I love...forever  
It was not okay for you  
To be untrue and lie to me  
Don't think that you'll get another chance  
'cause you've already lost the key

Love can set you free, sometimes it's meant to be  
And love goes on and on and on and on and on and on  
and on  
Love can make you mine, sometimes it's so unkind  
But life goes on and on and on and on and on and on  
and on

And on and on and on and on

And on and on and on and on  
And love goes on and on and on  
And life goes on and on and on
