P- s- y- c- h- e- d- e- l- i- c, psychedelic love,
Drifting

In a sea of dreams
Though I am awake
Still I'm far away from this world
I'm far from this world.

Gliding
Subconsciously
Through strange lands
As in a fairy tale
One I have never heard.
Ooh
Like a psychedelic dream
The colours flow
Imagination soaring
I laugh aloud.

Pictures
They look so clear
As if alive
Who said life could be boring
With a mind like ours.
Ooh

P- s- y- c- h- e- d- e- l- i- c, psychedelic love,
psychedelic love
P- s- y- c- h- e- d- e- l- i- c, psychedelic love,

I reach out
In the air
To catch the flow
Come on with the clouds
Kiss their cotton mouths.

And they dance
Around
In rhythm
Following the sound
Following the sound

Ooh

Red, yellow, gold, pink and orange
Turquoise blue
This is all I see
This is all I see.

Green, silver, white
All in motion
Falling into one
Playing tricks on my mind
This is all I see
Ooh

P- s- y- c- h-e- d- e- l- i- c, psychedelic love, psychedelic
love
P- s- y- c- h-e- d- e- l- i- c, psychedelic love, psychedelic
love

All the colours that I see
Are the things that talk to me
Everything's all sensory
How it all amazes me
If I am going to leave this place
Go back to the Human race
Let my mind be free.

P- s- y- c- h-e- d- e- l- i- c, psychedelic love, psychedelic
love
P- s- y- c- h-e- d- e- l- i- c, psychedelic love, psychedelic
Ooh

P- s- y- c- h-e- d- e- l- i- c, psychedelic love, psychedelic
love
P- s- y- c- h-e- d- e- l- i- c, psychedelic love,
Psychedelic love
