Don't look at me that way
There's nothing else to say
The fire we had is gone
And the roads been far too long
Hush now, I know what you're gonna say
Things seem so different now, don't they?
Now there's no point in taking guesses
Sometimes love shouldn't have second chances
[chorus]
Love is not just black and white
Sometimes are days become gray nights
Sometimes we fear that we'll turn cold
Sometimes you win and sometimes you fold
And sometimes that just the way, that's the way love
goes
Empty days and lonely nights
Please don't put up a fight
Im not yours anymore
Cause we've both changed at the core
Wish I could explain
But there's no words that can describe
We have fallen out of love this time
Lets not read between the lines..
[chorus]
Love is not just black and white
Sometimes are days become gray nights
Sometimes we fear that we'll turn cold
Sometimes you win and sometimes you fold
And sometimes that's just the way, that's the way love
goes
[bridge]
Love is not what it seems
We turn the lights off and love breaks
Each day time takes
Love lease
We face the truth we can't erase.. we can't erase
[chorus]
Love is not just black and white
Sometimes are days become gray nights
Sometimes we fear that we'll turn cold
Sometimes you win, and sometimes you fold

And sometimes that's just the way, that's the way love
goes...
