Can't help but think about
The things we've been through
I know we'll last forever
Cause' our love is true

I can see it as I look in your eyes And our love cannot be taken And I know that it wont be a surprise And our love will last till the end

[Chorus]

Your love's so wonderful The way it takes control of me Your love's so wonderful I can't believe it's happen to me

I'll hold you close each night So that you're next to my heart And I would make any sacrifice so we wouldn't be apart

I can see it as I look in your eyes And our love cannot be taken And I know that it wont be a surprise And our love will last till the end

[Chorus]
