Build me a castle where the rooks wheel and caw  
Make it a ruin wi' beauty and a'  
Rest there my body but wander my soul  
I don't need a reason to look frae the shore  
For men who are weary cam hame frae the wars

Dream me an ocean where the waves dinna' fa'  
Make it a haven for sailors and a'  
Where are the healers to mend what is flawed  
Who don't need a reason to look frae the shore  
For men who are weary cam hame frae the wars

Fetch me a heather white as the snaw  
Make it a wreath for those that I know  
All of my tears could nae mak it grow  
I don't a reason to look frae the shore  
For men who are weary cam hame frae the wars
