Refrain:

For all the pain I caused,  
I didn't mean it  
Oh, please believe me.  
I really mess things out,  
Will you forgive me?  
Or are you happy?

1. Strophe:

We started out will strong  
Felt like it can't go wrong  
Open my eyes, make me see  
Just felt like destiny  
Than my dreams 'til dove and  
I spent this time with you  
We didn't have a chance 'cause  
This is a fight we lose

Refrain:

For all the pain I caused,  
I didn't mean it  
Oh, please believe me.  
I really mess things out,  
Will you forgive me?  
Or are you happy?

For all the pain I caused,  
I didn't mean it  
Oh, please believe me.  
The way they mess things out,  
Will you forgive me?  
Or are you happy?

2. Strophe

I really must confess  
Without you I'm a mess  
Even though I live in my dream  
All I see is you and me  
The way you used to look at me I  
Can't get it out of my head  
The way you used to be some free I  
Just want that all again

Refrain:

For all the pain I caused,  
I didn't mean it  
Oh, please believe me.  
I really mess things out,  
Will you forgive me?  
Or are you happy?

For all the pain I caused,  
I didn't mean it  
Oh, please believe me.  
I really mess things out,  
Will you forgive me?  
Or are you happy?

Bridge:

Through everything that I put you through  
Slowly I'm sorry and that I'm hurt, too  
You run so fast and my dreams just flew  
Never thought that get away but who knew

Through everything that I put you through  
Slowly I'm sorry and that I'm hurt, too  
You run so fast and my dreams just flew  
Never thought that get away but who knew

Refrain:

For all the pain I caused,  
I didn't mean it  
Oh, please believe me.  
I really mess things out,  
Will you forgive me?
