[Esham]

I never ever believed I've been deceived like adam &  
eve

My thoughts bust to make my mind bleed

In god you trust but in god I bust caps

To peel caps and fill bloody naps bitch

You wanna go to hell or heaven?

I got the 3-5-7 pointed at cha so ya better pray

Before ya life gets takin away

Before the bullet hits ya dome all I have to say

Is do you believe? nigga

[Chorus]

Do you believe in god? I don't know what this world is  
comin to {\*repeat 4X\*

[Esham]

Do you believe in god nigga?

Who is god where is god?

Do you believe in god?

Where is god who is god?

[T-N-T]

Picked up the bible and burnt my hands

1-8-7 at the church dead body needs an ambulance

The unforgettable medication, the masturbation

Premature ejaculation, premeditation

Murder meditation deep

Niggas sleep so I creep my crew rolls 6 feet deep

Blaz4me sacreligious to this religious figure

And I'm the wrong nigga

So do you believe?

[Chorus]

[T-N-T]

Do you believe in god, do you believe in god? {\*repeat  
4X\*

[Esham]

Some might wonder what god is, some say god is man

Some say god is space & time...I say this

[Mastamind]

Tell me

Do you believe in god?

I think it is odd

I'd rather be dead underground covered in sod

When I walk the earth, walk this way

Leavin you in dismay

There they lay to stay you better pray

People dyin outside my town, homicide surrounds the  
block of suicide

Where I live both worlds collide

I'ma chop that image of your god up

Only a reel life product connects you

Do you believe in god?

[Chorus]

[Esham]

Do you believe nigga? that's right I said do you  
believe?

So you believe in god nigga?

Son't ask me ask yo self, motherfucker motherfucker

[Chorus] - repeat until fade
