Mastamind...
Esham...
Natas...
Where ever you go
I'll follow
Esham...
Like a spirit...

(Mastamind)
First you catch a slug
Then you get yo' grave dug
Then you get remembered as a hoe, then forgot, with
no love
Case closed, call it a day
They fall and they lay, all they can say
Is rest in peace, now let us all pray
I'm blessed and I'm cursed
Feel the pain, my niggas feelin' worse
The pain moves where it hurts, a black crow on a perch
Flyin' thru the universe, landin' on earth
Demandin' my worth, puttin' in work, till the birds chirp
I do what they do in a day, after midnight
Hope you can catch some zzz, wake up get yo' shit
right
Too much in sight, wicket visionaries
This goes to all those lost souls in the streets and the
cementaries

I was there for the death
I'm there for the birth
I'll be there when the meek inherit the earth
Got yo' mind wicket
Mastamind, reads ya like a spirit(2x)

(Mastamind)
I'm on some I don't give a fuck shit
I don't need no love shit
I'm goin' public wit my problems cuz I'm disgusted
Suckas tryin' to get at me, like they know me
Niggas tryin' to do some wicket shit like they unholy
Repentin' they sins, beg fo' forgiveness again
Don't know the evils within the game, don't even get in

You goin' against the wind, goin' against the men
Who gonna start and finish this shit from beginnin' to
end
Whether sittin' in the pen or sittin' in the den
Have yo' mind on that when, you lose and you win
For real
Reads ya like a spirit

I was there for the death
I'm there for the birth
I'll be there when the meek inherit the earth
Got yo' mind wicket
Mastamind, reads ya like a spirit(3x)

Wicket world wide
All across this mutha fucka
Reads ya like a spirit
C'mon, c'mon
