"Hahahahaha, we comin, we comin bitch boy  
Hahahahaha, Natas, mad motherfucking Natas  
Mad mad mad, mad at you bitch boy  
Chatty ass motherfucker"

(Mastamind)

You don't wanna see when I'm angry see I let the world  
change me  
Into a madman and now they wanna hang me  
Fuckin do me in, you shoulda killed me last year  
Cause I'm pissed off kinda hyped better murder me  
tonight  
See I'm fin ta send a nigga to the trauma center  
I shot the baby party that I went ta  
Am I mad at the world or just you?  
My ex-homie nigga, fuck it I can't trust you  
Now, what the fuck to do, bitches sayin fuck my crew  
But it seems I'm the only playa they wanna stick a buck  
through  
Prematurely ejaculated mom's one little girl  
2pacalypse ain't the only nigga up against the world  
Can't live is your average nig, bitch I'm Mastamind  
This shit is heavy on my mind, cause I'm mad at the  
world

(TNT)

Mad at the world got a permanent case  
I'm brown faced with the case of slugs swallowed  
bullets pull the plug  
I wanna die dreams of squeaky triggers  
45 diggers chasin me escaped from police custody  
Fuck the world is what I'm screamin all day  
Its a mad world so I'm mad every single fuckin day  
Fuck you ass hole the world wants to hate me  
Hole in my head once the bullets penetrate me  
Suicidal lately dead boy yells  
Try thin mysery, cross stuff over to this hell  
I'm finna bust, my mind can't take this blood rush  
To the brain, butt naked in the rain  
I scream pain, killa, trigga, illa  
Nigga, never been lost I lost my mind  
Cause I'm mad at the world

(Esham)

You see I'm mad at the world I ball up my fists  
Beat myself in the head cause I'mma suicidalist  
Mental stress I got my thinkin, I'm blinkin I'm blackin out  
I shake the dice of life in my hand I think I'm crappin  
out  
I can't tolerate it no more I can't believe this  
Now they got me screamin oh God baby Jesus  
Migrane, feel my pain  
I show no shame I got one in the chaaamber  
I woke up sweatin bullets now I swallow bullets  
But you can't understand it cause I'm mad at the whole  
planet  
Well just fuck em all, get my gun and buck em all  
Shoot up in the sky and hope Heaven fall  
I burn up Bible's cause my brothers deadboy  
I put a gun to your head boy, because I'm mad at the  
world
