SNOT

We're fittin' to take your town  
You know we wear the crown  
Just got to mess around  
Leave your daughters and your sisters with me  
Down  
Down for that fattest sound  
We're comin' to your town  
Breaking some ground  
Someone's got to do it  
Can you slow down?  
(Just can't be)  
Gotta have a fat sound  
(From S.B.)  
Motherfucker said  
Is your soul found?  
(Can't you see?)  
And we're comin' to your town  
Break It  
Smash It  
Motherfuckin' Snot  
Snot  
We're fittin' to take your town  
You know we wear the crown  
Just got to mess around  
Leave your daughters and your sisters with me  
Down  
Down for that fattest sound  
We're comin' to your town  
Breaking some ground  
Someone's got to do it  
Can you slow down?  
(Just can't be)  
Gotta have a fat sound  
(From S.B.)

SNOT

You always knew this  
Yeah SNOT Crew  
We're undisputed  
Yeah SNOT  
Though we rule your world  
Clockin' all them girls  
We're takin' yours and no  
We'll never Stop  
Well Snot  
I've got to tell you once again  
Don't try and play my crew cause you just can't win  
I like to hear the sound when your skull cracks  
If you talk back feel us attack yall  
We're fixin' to take you down with a fat, funky sound  
Gonna steal your crown  
Not gonna mess around  
I know you hear my voice 'cause you got no choice  
The volume of my crew still undisputed  
If you don't move  
We're gonna roll right over motherfucker  
Down with this crew  
Yes everything's gonna be alright  
I've got to wow the crowd with a sound so loud  
Try and front but you know I'm gonna get down  
I've got the mic that's right what's at stake is  
Afraid you'll hear the truth  
You can't take this  
Slow down  
(Just can't be)  
Gotta have a fat sound  
(From S.B.)  
Motherfucker said

Yeah Snot  
We're fittin' to take your town

You always knew this  
Yeah SNOT Crew  
We're undisputed  
Yeah SNOT  
Though we rule your world

Clockin' all them girls  
Don't you know we're gonna  
Break It  
Smash It  
Gonna get it
