[woman singing]

Love is Somethin 4x

[Mastamind]

Wet pussy on Saturday night

I'm rollin with my niggaz and we tight

Nuttin but a late night hype, shit is just right

Life ain't shit but a bitch

I got six hundred and sixty-six move tricks to get rich

Pay me now baby doll before you lay me down

Jimmy's about to clown

Movin in and round, how that sound

Givin ya dick by the pound

Can ya get wit it

Can ya let a nigga hit it

Shit, you all on my dick

Just another bitch actin like a witch on a broomstick

It gets crazy, another hoe another day

She's just a phone call away

[chorus] 2x

(Baby yo pussy's dead!)

Love is somethin

(What happened to yo pussy?)

Love is somethin

[T.N.T]

Wet pussy on Saturday night

I like my shit tight

Fuckin wit a bum bitch

Just another dumb bitch

But I wanna cum bitch

Ya hum drum bitch

Why don't you give me some bitch

Can't have the coke without the rum bitch

Damn, I feel like gettin high

Why don't you get high with me

Baby girl don't bullshit me

I blazed up the J until it lit me

Then my young freak said hit me

I passed her the J she said come get me

T.N.T don't quit G

Damn, I guess it was the bud comin thru
A little rum and coke ain't no joke now I'm fuckin you
Hot booty on a platter don't matter anyway
Ya just a phone call away

[chorus]2x

[Esham]

Wet pussy on Saturday night
Roll me a blunt up
Call me a stunt up
So I can fuck the cunt up
Bitches wanna run up
And they get done up
Natas in the house bitches
Check up, I got one up
And one down on the D-L
That's the down low
I need me a tally ally ally ass hoe
A bitch that's straight from the ghetto
So I can rock that pussy like heavy metal
Say hoe, can I work it from the back
Smack my bozack then call me the mack
In fact, call me the mack pap nappy
Let yo titties slap me in the face and make me happy
Young bitch, triflin freak
Bitch got Kentucky Fried Chicken grease stains on her
ass cheeks
I treat her like a stank anyway
Just a piece of pussy....a phone call away

[chorus] 2x

[Sample of Too Short]

All dogs must chase the cats 8x
