oh, oh, oh, yeah!
freshly hinged upon a shaking nail,
afraid to move in case i fail.
break the cycle by the tail,
don't look down, don't look down!
(don't look down, don't look down!)
i'm not looking for anything final,
but i'm missing something vital!
look at my cds and all my...
but it's not that won't find it there,
it's not that! it's not that!

chorus:
bigger picture i'm trying to figure out,
how can i be sure?
more perspective, moving quick,
missing out on what i'm here for!
the picture's bigger all the time,
i'm always standing in the line,
thought i can see the whole thing through,
but i was a fool! oh, yeah!

it's time i learned to stop tripping on my own feet,
it's not healthy all this focusing on me!
so much looking down can see the road,
let it go, let it go, let it go!

chorus:
bigger picture i'm trying to figure out,
how can i be sure?
more perspective, moving quick,
missing out on what i'm here for!
the picture's bigger all the time,
i'm always standing in the line,
thought i can see the whole thing through,
but i was a fool! yes i was!

i've been frame, my ...rearrange,
i'm safe but only in comparison to what is thought,
the only crime is getting caught!
so i thought yeahhhh
(but things are different than i thought!)

chorus:
bigger picture i'm trying to figure out,
how can i be sure?
more perspective, moving quick,
missing out on what i'm here for!
the picture's bigger all the time,
i'm always standing in the line,
thought i can see the whole thing through,
but i was a fool! (yes i was!)
