We'll do it all
Everything on our own
We don't need
Anything or anyone

If I lay here
If I just lay here
Would you lie with me
And just forget the world?

I don't quite know
How to say how I feel
Those three words are said too much
They're not enough

If I lay here
If I just lay here
Would you lie with me
And just forget the world?

Forget what we're told
Before we get too old
Show me a garden
That's bursting into life

Let's waste time chasing cars
Around our heads
I need your grace to remind me
To find my own

If I lay here
If I just lay here
Would you lie with me
And just forget the world?

Forget what we're told
Before we get too old
Show me a garden
That's bursting into life

All that I am
All that I ever was

Is here in your perfect eyes
They're all that I can see, yeah

Come, I don't know where
Confused about how as well
Just know that these things
Will never change for us at all

If I lay here
If I just lay here
Would you lie with me
And just forget the world?
