What happens in Vegas stays in Vegas,
But what if it don't?
What happens in my head stays in my head
But sometimes it won't
What if you knew what I was thinking?
Would it make you like Whoa!
I don't wanna risk putting my foot in this
So I keep my mouth closed

(Chorus)

All you hear is Uh uh uh uh uh uh
Gonna button my lips so the truth don't slip
Uh uh uh uh uh uh
Gotta beep out what I really wanna shout
Whoops! Did I say it out loud?
Did you find out?
I wanna have your babies
Get serious like crazy
I wanna have your babies
I see 'em springing up like daisies

Yeah yeah yeah yeah yeah

Some of my feelings keep escaping
So I make it a joke
Nonchalant I keep on faking
So my heart don't get broke
I'm in a big, big, big, big ocean
In a tiny little boat
I'll only put the idea out there
If I know it's gonna float

All you hear is Uh uh uh uh uh uh
Gonna button my lips so the truth don't slip
Uh uh uh uh uh uh
Gotta beep out what I really wanna shout
Whoops! Did I say it out loud?
Did you find out?
I wanna have your babies
Get serious like crazy
I wanna have your babies

I see 'em springing up like daisies

'Cause in my head there's a slot machine
And I'm betting you're the one in my hopes and dreams
La la la la la, la la la la la la
La la la la la, la la, la la
Trust me it would scare you
If you knew what was going on in my brain
Trust me it would scare you
That I picked out the church, or the schools or the
names
If you knew it was all about you
Every wish, every candle, every coin in the fountain
Trust me it'd scare you

That's why I go, Uh uh uh uh uh
Uh uh uh uh uh uh
Uhm... yeah

{2X}
Uh uh uh uh uh uh
Gonna button my lips so the truth don't slip
Uh uh uh uh uh uh
Gotta beep out what I really wanna shout
Whoops! Did I say it out loud?
Did you find out?
I wanna have your babies
Get serious like crazy
I wanna have your babies
I see 'em springing up like daisies

I wanna have your babies

One day maybe you'll find out...
