That original feeling never went away
That's why Iâ'm standing here today.
Whoa Whoa
So many up and downs
And nothing has changed
That's why you know I'm here to stay.
Whoa Whoa

So put your arms around me
And then stay there forever
Let it always be this way
You and me together

So put you arms around me
And I'll never let go
I know theyâ're easy words to say
But I mean it more then ever

Yours is the kind of love
makes nothing else feel good enough
And Iâ'm never gonna give you up, Oh no, Oh no.

That original feeling never went away
That's why Iâ'm standing here today.
Whoa Whoa
(Ainâ't nobody gonna take your place
Only you made me feel this way)

So many up and downs
And nothing has changed
That's why you know I'm here to stay
Whoa Whoa
Ain't nobody gonna replace
Only you make me feel this saved

So put your arms around me
And then stay there forever
Let it always be this way
You and me together

So put you arms around me
And I'll never let go

I know theyâre easy words to say
But I mean it more than ever

Yours is the kind of love
makes nothing else feel good enough
And Iâm never gonna give you up (Oh no, oh no)
[Repeat 2x]

It canât explain what's the glue that holds us in.
Whoa Whoa
I canât refrain if I had a chance to do it over again.
Whoa Whoa

So put your arms around me
And then stay there forever
Let it always be this way
You and me together
So put your arms around me
And I'll never let go
I know theyâre easy words to say
But I mean it more than ever
[Repeat 2x]

Yours is the kind of love
makes nothing else feel good enough
And Iâm never gonna give you up (Oh no, oh no)
[Repeat 2x]

[Outro]
Yours is the kind of love
makes nothing else feel good enough
And Iâm never gonna give you up (Oh no, oh no, no no
no)
