Come up to meet you, Tell you I'm sorry  
You don't know how lovely you are  
I had to find you, Tell you I need you  
And tell you I set you apart  
Tell me your secrets, And ask me your questions  
Oh let's go back to the start

Running in circles, Coming up tails  
Heads on a silence apart

Nobody said it was easy  
It's such a shame for us to part  
Nobody said it was easy  
No one ever said it would be this hard  
Oh take me back to the start

I was just guessing at numbers and figures  
Pulling the puzzles apart  
Questions of science, science and progress  
Do not speak as loud as my heart  
And tell me you love me, Come back and hold me  
Oh and I rush to the start

Running in circles, Chasing tails  
Coming back as we are

Nobody said it was easy  
Oh it's such a shame for us to part  
Nobody said it was easy  
No one ever said it would be so hard  
I'm going back to the start

Aah ooh ooh ooh ooh ooh (x4)
