Come up to meet you, Tell you I'm sorry  
You don't know how lovely you are  
I had to find you, Tell you I need you  
Tell you I set you apart  
Tell me your secrets, Ask me your questions  
Oh let's go back to the start

Running in circles, Coming up tails  
Heads only science apart

Nobody said it was easy  
It's such a shame for us to part  
Nobody said it was easy  
No one ever said it would be this hard  
Oh take me back to the start

Take me back to the start

I was just guessing at numbers and figures  
Pulling your puzzles apart  
Questions of science, Science and progress  
Do not speak as loud as my heart yeah, yeah  
Oh, oh tell me you love me, Come back and hold me  
Oh and I rush to the start, oh

Running in circles, Chasing our tails  
Oh coming back as we are

Oh Nobody said it was easy  
It's such a shame for us to part  
Nobody said it was easy  
No one ever said it would be this hard  
I'm going back to the start

I'm going back to you, yeah

Oh, oh yeah  
Take me back, take me back  
Take me back to you, take me back yeah yeah

Take me back, take me back

Take me back to the place where I first loved you  
Take me back, ooh yeah, ooh yeah yeah yeah

Take me back, ooh oh, ooh ooh ooh, oh yeah yeah  
Take me back, take me back  
Take me back, take me back yeah yeah yeah yeah yeah

Take me back to you  
Oh, I'm coming home to you  
Home yeah yeah yeah yeah  
Mmm, I'm going back to the start
