These words are my own

Threw some chords together  
The combination D-E-F  
Is who I am, is what I do  
And I was gonna lay it down for you

I try to focus my attention  
But I feel so A.D.D.  
I need some help, some inspiration  
But it's not coming easily

Trying to find the magic  
Trying to write a classic  
Don't you know, don't you know, don't you know

Waste bin full of paper  
Clever rhymes, see you later

These words are my own  
From my heart flown  
I love you, I love you, I love you, I love you

There's no other way  
To better say  
I love you, love you, love you

Read some Byron, Shelley and Keats  
Recited it over a hip-hop beat  
I'm having trouble saying what I mean  
With dead poets and drum machines

You know I had some studio time booked  
But I couldn't find the killer hook  
Now you've gone and raised the bar right up  
Nothing I write is ever good enough

These words are my own  
From my heart flown  
I love you, I love you, I love you, I love you

There's no other way  
To better say  
I love you, I love you, I love you

These words are my own  
From my heart flown  
I love you, I love you, I love you, I love you

There's no other way  
To better say  
I love you, love you

I'm getting off my stage  
The curtains pull away  
No hyperbole to hide behind  
My naked soul exposes

Trying to find the magic  
Trying to write a classic  
Waste bin full of paper  
Clever rhymes, see you later

These words are my own  
From my heart flown  
Don't you know?  
I love you, I love you, I love you, I love you

There's no other way  
To better say  
I love you, love you, I love you

These words are my own  
From my heart flown  
I love you, I love you, I love you, I love you

There's no other way  
To better say  
I love you, love you, I love you

These words are my own  
They're from my heart  
I love you, I love you

That's all I've got to say  
Can't think of a better way  
And that's all I've got to say  
I love you, is that okay?
